- daily life

www.euraxess.nl

EURAXESS Europe

is an information platform especially for foreign researchers who are working or intend to work in a European country. It is an initiative founded by the European Commission and consists of a network of more than 200 service centres in over 33 countries throughout Europe. The Netherlands participate in this information platform.

EURAXESS the Netherlands

gives foreign researchers and their families access to information about working, living and getting around in the Netherlands.

The website www.euraxess.nl offers a continuously updated overview of Dutch research job vacancies as well as available fellowships and grants.

The [Euraxess Newsletter](#) keeps researchers informed about a wide array of current issues and developments of interest to foreign researchers in the Netherlands.

The Euraxess Service Centres are offering a [helpdesk](#) to provide personal assistance to foreign researchers.

EURAXESS the Netherlands offers

-  **JOBS & CV DATABASE:** Database with hundreds of jobs selected especially for foreign researchers. You can also publish your CV online so that institutes and other employers can get in touch with you. We also provide information about finding a job in the Netherlands. Many researchers have already found interesting jobs and career opportunities using these tools.
-  **PRACTICAL INFORMATION ABOUT DAILY LIFE IN THE NETHERLANDS:** Issues ranging from permits, visas, social security, healthcare and salary to accommodation, childcare, education, language and daily life are all explained.
-  **NEWSLETTER:** Free [Euraxess Newsletter](#) with information for foreign researchers about relevant legislation, upcoming activities, interesting facts, new fellowships and grants, conferences and more.
-  **HELPDESK:** If you have a specific question, please email or phone one of our service centres.
-  **EUROPEAN CHARTER FOR RESEARCHERS:** Information on this Charter and its Code of Conduct for the Recruitment of Researchers.
