Declaration of Support for the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers

The Center for Theoretical Physics, Polish Academy of Sciences (CTP PAS), represented by Professor Lech Mankiewicz, its Director, hereby declares full support for the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.

The Center for Theoretical Physics recognizes the value of the principles formulated in the Charter and Code and their role in the development of European Science. Several of those principles have been already implemented as working practices at CTP PAS. The Center is undertaking the necessary effort to continue the good practice of implementing those principles.

The Board and the Research Council of the Center support the idea of a mobile, responsible, open, transparent science culture. The Center furthermore acknowledges the importance of good working conditions and professional recognition for researchers throughout Europe.

Kind regards,

Dyrektor
Centrum Fizyki Teoretycznej PAN
dr hab. Lech Mankiewicz
