Different profiles, different information required

- User profile: The EURAXESS user page is required for everyone who has an EURAXESS account. So, everyone with an account has an user profile hence needs to give the required information asked.
- EURAXESS Centre Member profile: When the EURAXESS user is assigned to an EURAXESS Centre, information in this profile can be filled in. Here there is no required information to needs to be filled in by the user itself, the function (which is required) is filled in by the commission users.
- EURAXESS Researcher profile: When the EURAXESS user wants to use EURAXESS as an researcher, additional information is required besides information given in the user profile.
- EURAXESS Organisation profile: A profile for a organisation so EURAXESS users can get member of this organisation and can publish offers postings, hosting and funding offers.
